Wow! Well 2009 closed out on a great note for Out of Our; six poems were nominated for Pushcart Prizes in poetry – good luck to all the nominees (remember me when you're famous)! And 2010 is now off to a great start. I am pleased to present more works from peers and legendary poets, some of whom are new to Out of Our, and some whom are complete newcomers to the poetry scene in general – you all keep blowing me away with your talents and passion for poetry – keep up the good work! I love it, do you love it?
