Hello Spring! Since Volume 5, I have been busy adding onto the website and promoting Out of Our, among other things like reading “The Mass Psychology of Fascism.” The SF Anarchist Book Fair, while not a monetary success, was a very interesting and good event for promoting good words, despite the pie in the face incident. I am happy to introduce a couple new SF galleries/performance spaces in this issue... please support our advertisers! Keep writing and keep in touch!

I send all poets I publish an artist’s copy.

Remember -- Out of Our is available in several bookstores, including: City Lights in SF; Dog Eared Books in the Mission, SF; The Depot in Mill Valley; Flying Oliver Books in Sausalito; and Bank Square Books in Mystic, CT!
